- UltraFresh Vent System With OdorBlock™ - The first and only UltraFresh Vent System with OdorBlock™ eliminates excess moisture to help prevent odors ensuring your washer stays fresh and clean
- Microban® antimicrobial technology - Built into components including the gasket, dispenser and draining system delivering protection that lives on load after load
- SmartDispense™ Technology - Save time and make laundry effortless with an intelligent dispenser that holds up to 32 loads of detergent and automatically dispenses the right amount each time
- 1 Step Wash + Dry - Wash and dry a small load in your washer, eliminating the need to transfer clothes to the dryer

- Sanitize + Allergen - Industry-first cycle sanitizes fabrics to kill 99% of common bacteria and allergens such as dust mites
- Built-in WiFi - Start, stop and monitor your laundry from anywhere while receiving real-time notifications and updates
- Dynamic Balancing Technology (dBT™) - Our patented, time saving technology senses and rebalances uneven loads during the spin cycle, providing a quiet wash
- Reversible Door - Easily reverse your washer and dryer door for superior installation flexibility
- PowerSteam - Safely penetrates deep into fabric fibers, loosening stains to deliver enhanced cleaning performance
