GE® 4.6 cu. ft. Capacity Washer with Sanitize w/Oxi and FlexDispense™ Model# GTW725BSNWS

- FlexDispense™ - Automatically releases liquid or powder detergent, fabric softener, and even detergent packs like Tide PODs, at the right time for faster activation and optimal cleaning performance
- QuietWash - Enjoy a quieter wash and reduced vibration thanks to innovative Dynamic Balancing Technology
- Dual-action agitator - Experience a high level of clean with a dual-action agitator that enables a reversing, powerful wash action
- Sanitize with Oxi - Remove 99.9% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best
- Stain Removal Guide - Easily remove five of the most common stains with preset modifications available on each wash cycle
- Deep Fill - Customize your water-fill levels with just the touch of a button and fill the tub with as much water as you want so you can wash your way
- Multiple Rinse Options - Ultimate flexibility with your rinse cycles to remove detergent, fabric softener, and stubborn soils with options like Deep Rinse, Extra Rinse and Warm Rinse
- 10-year limited warranty - Rest assured knowing your washer is backed by a 10-year limited warranty
- Auto Soak - Loosens stains by soaking for up to 2 hours
- Speed Wash - Provides a quick wash for lightly soiled items that are needed in a hurry
