### 27" Drop-In Ranges

#### Dimensions (in inches)

**Important:** This range is designed to hang from the countertop. It does not rest on the floor.

If necessary, build up sides to 1-1/2" thick to provide screw anchor surface and countertop support

These screws are anti-tip devices and must be installed in the front and rear

All GE ranges are equipped with an Anti-Tip device. The installation of this device is an important, required step in the installation of the range.
