

# GE Profile™ 30 in. Combination Double Wall Oven with Convection and Advantium® Technology

Model# PT9800SHSS

- Speedcook oven 120V (upper oven) - Enjoy oven-quality results two- to four- times faster than a conventional oven
- No Preheat Options - Save time with Speed Cook options that eliminate the need for preheating
- True European Convection (lower oven) - Achieve delicious results from a third heating element and fan combination
- Multiple cooking functions - Expand your cooking versatility with an all in one oven
- Over 175 preprogrammed menu selections (upper oven) - Preprogrammed selections make meals easy
- Self-clean with Steam Clean option (lower oven) - Clean your oven the way you want
- Never-scrub, heavy-duty roller rack (lower oven) - Easily access items with a rack that glides smoothly
- Glass touch controls - Set temperatures quickly and clean with little effort
- 10-pass bake element (lower oven) - Even baking is assured with heat that covers more surface area
- 8-pass broil element (lower oven) - Get full broil coverage and even browning from edge to edge
- Fit Guarantee - Replacing a similar wall oven from GE Appliances or another brand? GE wall ovens are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications. [See offer criteria and details](#)
